

Jennifer M. Cruse-Sanders
State Botanical Garden of Georgia
2450 South Milledge Ave., Athens, GA 30605
Phone: 706-542-6131, email: crusesanders@uga.edu

Professional Preparation:

Ph.D. in Botany, University of Georgia, Athens, GA (2003)
M.S. in Botany, University of Georgia, Athens, GA (1997)
B.A. in Biology, Boston University, Boston MA (1992)

Appointments:

Director, State Botanical Garden of Georgia, University of Georgia (2017-present)
Vice President for Science and Conservation, Atlanta Botanical Garden (2012-2017)
Director of Research and Conservation, Atlanta Botanical Garden (2008-2012)
Research Associate Rancho Santa Ana Botanic Garden (2006-2015)
Assistant Professor of Biology, Salem College, Winston-Salem, NC (2005-2008)
Keck Postdoctoral Fellow, Rancho Santa Ana Botanic Garden, Claremont Graduate University (2003-2005)

Awards:

2016, Botanic Garden Conservation International, Marsh Award for International Plant Conservation
2016, National Areas Association, National Carl N. Becker Stewardship Award
2015, USDA Forest Service, Wings Across America International Award for Urban Communities in Conservation for the Greater Atlanta Pollinator Partnership
2014, Audubon -Toyota TogetherGreen, Conservation Fellowship for Urban Habitat Conservation and Creation of Pollinator Habitats
2014, Technology Association of Georgia, STEM education award finalist for the Greater Atlanta Pollinator Partnership
2009, Institute for Museums and Library Services funded Imperiled Butterfly Conservation Management fellow

Publications (*undergraduate student coauthors):

Grants and contracts awarded 2015-2017:

- 2017 NSF Division of Environmental Biology, Collaborative Research: Reasons for Rarity? Exploring Acclimatory and Adaptive Constraints to Commonness \$373,745
- 2016 IMLS Museums for America, Conservation award. Orchid DNA Barcoding project \$150,000
- 2016 USFWS Preventing extinction of Florida Torreya. \$20,000
- 2016 USDA Forest Service combined rare plant conservation. \$27,493
- 2016 USFWS Funding to support the GPCA Safeguarding Database. \$20,000
- 2015 NFWF Gulf Environmental Benefit Fund, Restoration of species diversity and hydrologic function in wetlands within the coastal dune lake watershed (FL). \$657,000
- 2015 Forest Service Status assessment and conservation recommendations for American Ginseng \$55,000
- 2015 USFWS Coastal Program. Propagating and Reintroducing Rare Species to Restored Bogs in Florida State Parks. \$37,000
- 2015 USFWS Restoration of rare species and establishment of pollinator gardens. \$52,000
- Other grants and contracts from the USFWS, USDA Forest Service, GA DNR, Tennessee Valley Authority, Association for Zoological Horticulture and donors amount to approximately \$70,000.

Synergistic Activities:

Southeastern Partners in Plant Conservation (2015-present) Organizer and steering committee member. Also served on the steering committee for the At-risk species workshops for the southeast, USFWS Region 4.

- Atlanta Science Festival, Steering Committee (2013-2016) <http://atlantasciencefestival.org/>
- Georgia DNR, State Wildlife Action Plan Revision Committee (2013-2015)
- North American Orchid Conservation Center, Smithsonian Ecological Research Center, (2012-2017)
- Urban Habitat Restoration and service learning (2011-2017)
- Greater Atlanta Pollinator Partnership, www.gapp.org (2011-2017)
- Organizer of Science Café at the Atlanta Botanical Garden (2010-2016)
<https://itunes.apple.com/us/podcast/science-cafe/id373156685>
- Georgia Plant Conservation Alliance (1998-2003; 2008-present)
- Participant in Imperiled Butterfly Conservation Management Workshops, (2009-2011), funded through the Institute for Museums and Library Service.
- Atlanta Botanical Garden conservation contact for the Center for Plant Conservation, (2008-2017)
